Computer Science

(2023 - Present)

SUMMARY

I am a passionate and innovative content and software developer with over three and a half years of experience in content and software development. For the past three and a half years working in an IT company, my expertise spans Canvas, Photoshop, Camtasia Studio, MS Office, Adobe XD, Figma, HTML, CSS, WordPress, Bootstrap, JavaScript, and jQuery.

Driven by a passion for growth and learning, I venture into agricultural food farming as a hobby. I am committed to continuous learning and innovation and thrive in a collaborative environment where I can contribute to impactful projects and drive digital transformation.
